

VIKING Liferaft, throw overboard (self-righting), 101 pers. - 100DKS

Material no.: L100DS

VIKING 100DKS+ liferaft.

Throw overboard self-righting type. Stowed in rigid fibreglass container as per attached drawing and certified by DNV in accordance with SOLAS/MED requirements and the relevant flag state approvals. Will be delivered complete with emergency SOLAS A pack. The 100 persons throw overboard self-righting liferaft is mainly used for commercial vessels, passenger vessels and offshore installations. The throw overboard self-righting liferaft is released from its ramp thrown overboard, or slides automatically when released. Once waterborne the liferaft inflates on a hard pull of the painter line and is then ready for boarding.
